Sir,

Sub :- National Level Students Technical Symposium,
SYNTONY 2K10 -Invitation.

Department of ECE is conducting a technical symposium, "SYNTONY 2K10" on 13th March 2010, with an intention of providing students an opportunity to interact and become acquainted with the latest trends in technology. Here with we enclose a poster and brochure.

We take great pleasure in inviting the students of your esteemed college, to actively participate in the symposium and ensure a stepping stone of exposure to the developments in modern technology. We also request you to display this poster on the notice board and convey the message to your students.

Waiting for a favorable support

With regards,

Sincerely,

.....
